

The 4th successive Invitational European U/17 Snooker Open will be held between the 5th and the 10th of January 2010.

All the players will be offered free hotel accommodation with buffet breakfast at the 4 star San Antonio Hotel & Spa in Bugibba during all their stay.

The hotel has many facilities such as outdoor and indoor swimming pools, sauna, gym, restaurants, bars, entertainment, etc.

The venue is just across the road, only a few seconds walk.

The transport for all the players from the airport to the hotel and back is also free. After the final there will be a party where some snacks will be served free to everyone.

The winner of the tournament will get 200 Euros plus a trophy and certificate.

Runner Up and third place will also get a trophy and certificate.

The other players will get a certificate of participation.

Players must share a room with an adult. The room rates for every person that comes to Malta with the players will be as low as possible, much lower than the normal hotel rates.

A player can bring as many people with him as he wishes. They will all benefit from a very special hotel discount.

There will also be triple rooms which will work out to be even much cheaper per person.

Entrance fee to the competition is only 40 Euros and that is the only thing that a player will pay.

All other expenses will be covered by our sponsors, that is, the Malta Tourism Authority and Bank of Valletta.
